

## BTICINO

REF. 3542 | CÓDIGO DE BARRAS. 8005543505151

The diagram illustrates a four-story building frame. Columns are labeled C1 through C8 at the top. The frame consists of three floors above a base. Horizontal arrows indicate lateral loads applied to the columns at each floor level. Various dimensions are specified throughout the drawing, such as 10'0" for column height, 12'0" for bay width, and 14'0" for total width. Section cut symbols (A-A, B-B) are shown at the bottom right.
